Chapter 3

Investment companies with variable capital

Art. 25

For the purposes of this Law, investment companies with variable capital ("SICAV") shall be taken to mean those companies:

- which have adopted the form of a public limited company, a partnership limited by shares, a limited company or a cooperative in the form of a public limited company,
- the exclusive object of which is to invest their funds in assets in order to spread the investment risks and to ensure for their investors the benefit of the results of the management of their assets, and
- the securities of which are reserved to one or several well-informed investors, and
- the articles of incorporation of which provide that the amount of capital shall at all times be equal to the net asset value of the company.

Art. 26

- (1) SICAVs are subject to the general provisions applicable to commercial companies, insofar as this Law does not derogate therefrom.
- (2) The articles of incorporation of a SICAV and any amendment thereto shall be recorded in a special notarial deed drawn up in French, German or English as the appearing parties may decide. By derogation from the provisions of the Decree of 24 Prairial, year XI, where this notarial deed is drawn up in English, the requirement to attach a translation into an official language to that deed when it is filed with the registration authorities does not apply. Further, this requirement does not apply to all other deeds to be drawn up under notarial form, such as notarial deeds drawing up the minutes of meetings of the shareholders of a SICAV or recording the draft merger terms concerning a SICAV.
- (3) By derogation from Article 73, sub-paragraph (2) of the law dated 10 August 1915 on commercial companies, as amended, SICAVs subject to this Chapter and which have adopted the form of a public limited company, of a partnership limited by shares or of a cooperative in the form of a public limited company are not required to send the annual accounts, as well as the report of the approved statutory auditor⁴, the management report and, where applicable, the comments made by the supervisory board to the registered shareholders at the same time as the convening notice to the annual general meeting. The convening notice shall indicate the place and the practical arrangements for providing these documents to the shareholders and shall specify that each shareholder may request that the annual accounts, as well as the report of the approved statutory auditor, the management report and, where applicable, the comments made by the supervisory board, be sent to him.
- (4) For SICAVs which have adopted the form of a public limited company, a corporate partnership limited by shares or a cooperative in the form of a public limited company, the convening notices to general meetings of shareholders may provide that the quorum at the general meeting shall be determined according to the shares issued and outstanding on the fifth day prior to the general meeting (referred to as "record date") at midnight (Luxembourg time). The rights of shareholders to attend a general meeting and to exercise the voting right attaching to their shares are determined in accordance with the shares held by each shareholder at the record date.

Art. 27

The subscribed capital of the SICAV, increased by the share premium, may not be less than one million two hundred fifty thousand Euro (1,250,000 Euro). This minimum must be reached within a period of twelve months following the authorisation of the SICAV. A grand ducal regulation may increase such minimum amount up to a maximum of two million five hundred thousand Euro (2,500,000 Euro).

Art. 28

- (1) Subject to any contrary provisions of its articles of incorporation, a SICAV may issue its securities at any time.
- (2) Securities shall be issued and, as the case may be, redeemed in accordance with the conditions and procedures set forth in the articles of incorporation.
- (3) The capital of a SICAV must be entirely subscribed, and at least 5% of the subscription amount for shares or units must be paid-up in cash or by means of a contribution other than cash.
- (4) Unless otherwise provided for in the articles of incorporation, the valuation of the assets of the SICAV shall be based on the fair value. This value must be determined in accordance with the rules set forth in the articles of incorporation.

⁴ The French version of the Law uses the term "réviseur d'entreprises agréé".

(5) The articles of incorporation shall specify the conditions in which issues and redemptions may be suspended, without prejudice to legal causes. In the event of suspension of issues or redemptions, the SICAV must without delay inform the CSSF.

Where the interest of the shareholders or unitholders so requires, redemptions may be suspended by the CSSF if the provisions of laws, regulations, or the articles of incorporation concerning the activity and operation of the SICAV are not observed.

(6) The articles of incorporation shall describe the nature of the expenses to be borne by the SICAV.

(7) The shares or units of a SICAV shall have no par value.

(8) A share or a unit shall specify the minimum amount of capital and shall give no indication regarding its par value or the portion of the capital which it represents.

Art. 29

(1) Variations in the capital shall be effected *ipso jure* and without compliance with measures regarding publication and entry in the register of commerce and companies.

(2) Repayments to investors following a reduction of capital shall not be subject to any restriction other than the one provided for by Article 31(1).

(3) In the case of issue of new shares or units, pre-emptive rights may not be claimed by existing shareholders or unitholders unless the articles of incorporation provide for such a right by express provision.

Art. 30

(1) If the capital of the SICAV falls below two thirds of the minimum capital, as defined in Article 27, the directors or managers must submit the question of the dissolution of the SICAV to a general meeting for which no quorum shall be prescribed and which shall decide by a simple majority of the shares or units represented at the meeting.

(2) If the capital of the SICAV falls below one fourth of the minimum capital, as defined in Article 27, the directors or managers must submit the question of the dissolution of the SICAV to a general meeting for which no quorum shall be prescribed; dissolution may be resolved by shareholders or unitholders holding one fourth of the shares or units at the meeting.

(3) The meeting must be convened so that it is held within a period of forty days as from the ascertainment that the capital has fallen below two thirds or one fourth of the minimum capital, as defined in Article 27, as the case may be.

(4) If the constitutive documents of the SICAV do not provide for general meetings, the managers must, if the capital of the SICAV has fallen below two thirds of the minimum capital, as defined in Article 27, inform without delay the CSSF. In such case, the CSSF may, having regard to the circumstances, require the managers to put the SICAV into liquidation.

Art. 31

(1) Unless otherwise provided for in the articles of incorporation, the net assets of the SICAV may be distributed subject to the limits set out in Article 27 of this Law.

(2) SICAVs shall not be obliged to create a legal reserve.

(3) SICAVs are not subject to any rules in respect of payment of interim dividends other than those set forth in their articles of incorporation.

Art. 32

For companies to which this Law applies, the words “partnership limited by shares”, “limited company”, “public limited company”, or “cooperative in the form of a public limited company” are completed by the words “investment company with variable capital - specialised investment fund” or “SICAV-FIS”.

Art. 33

The custody of the assets of a SICAV must be entrusted to a depository.

Art. 34

- (1) The depository must either have its registered office in Luxembourg or be established in Luxembourg if its registered office is in another Member State of the European Union.
- (2) The depository must be a credit institution within the meaning of the amended law of 5 April 1993 concerning the financial sector.
- (3) The depository's liability shall not be affected by the fact it has entrusted all or some of the assets in its custody to a third party.

Art. 35

The depository shall be liable in accordance with Luxembourg law to the investors for any loss suffered by them as a result of its wrongful failure to perform its obligations or its wrongful improper performance thereof.

Art. 36

The duties of the depository regarding the SICAV shall respectively cease:

- a) in the case of voluntary withdrawal of the depository or of its removal by the SICAV; until it is replaced, which must happen within two months, the depository must take all necessary steps for the good preservation of the interests of the investors;
- b) where the SICAV or the depository has been declared bankrupt, has entered into a composition with creditors, has obtained a suspension of payment, has been put under court controlled management or has been the subject of a similar proceeding or has been put into liquidation;
- c) where the CSSF withdraws its authorisation of the SICAV or the depository;
- d) in all other cases provided for in the articles of incorporation.

Art. 37

In carrying out its role as depository, the depository must act solely in the interest of the investors.

Chapter 4

Art. 38

This Chapter is applicable to all specialised investment funds subject to this Law which have not been constituted as common funds or SICAVs.

Art. 39

This minimum must be reached within a period of twelve months following their authorisation. A grand-ducal regulation may increase such minimum amount up to a maximum of two million five hundred thousand Euro (2,500,000 Euro).

(2) If the capital has fallen below two thirds of the legal minimum, as defined in paragraph (1), the directors or managers must submit the question of the dissolution of the specialised investment fund to a general meeting for which no quorum shall be prescribed and which shall decide by simple majority of the securities represented at the meeting.

(3) If the capital has fallen below one fourth of the legal minimum, as defined in paragraph (1), the directors or managers must submit the question of the dissolution to a general meeting for which no quorum shall be prescribed; the dissolution may be resolved by investors holding one fourth of the securities represented at the meeting.

(4) The meeting must be convened so that it is held within a period of forty days as from the ascertainment that the capital has fallen below two thirds or one fourth of the minimum, as defined in paragraph (1), as the case may be.

(5) If the constitutive documents of the specialised investment fund do not provide for general meetings, directors or managers must, if the subscribed capital of the specialised investment fund has fallen below two thirds of the legal minimum as defined in paragraph (1), inform without delay the CSSF. In such case, the CSSF may, having regard to the circumstances, require the directors or managers to put the specialised investment fund into liquidation.

(6) If the specialised investment fund is constituted under a statutory form, its capital must be entirely subscribed and at least 5% of each share or unit must be paid-up in cash or by means of a contribution other than cash.

Art. 40

(1) Unless otherwise provided for in the constitutive documents, the valuation of the assets of the specialised investment fund shall be based on the fair value. This value must be determined in accordance with the rules set forth in the constitutive documents.

(2) Articles 26 (2) to (4), 28 (5), 33, 34, 35, 36 and 37 of this Law are applicable to specialised investment funds subject to this Chapter.

(3) The denomination of the specialised investment funds to which this Chapter 4 applies is completed by the words "specialised investment fund" or "FIS".

Chapter 5

Authorisation and supervision

Art. 41

- (1) The authority which is to carry out the duties provided for in this Law is the CSSF.
- (2) The CSSF carries out its duties exclusively in the public interest.
- (3) The CSSF ensures that the specialised investment funds subject to this Law and their directors, comply with the applicable legal and contractual rules.

Art. 42

- (1) In order to carry out their activities, the specialised investment funds subject to this Law must be authorised by the CSSF in advance.
- (2) An investment fund shall be authorised only if the CSSF has approved the constitutive documents and the choice of the depository.
- (3) The directors of the specialised investment fund and of the depository must be of sufficiently good repute and be sufficiently experienced, also in relation to the type of specialised investment fund concerned. The identity of the directors of the specialised investment fund, as well as of any person succeeding them in their functions, must be communicated forthwith to the CSSF. The appointment of directors, and of any person succeeding them, is subject to the approval of the CSSF.

“Directors” shall mean, in the case of public limited companies and cooperatives in the form of a public limited company, the members of the board of directors, in the case of partnerships limited by shares, the general partners, in the case of limited companies, the manager(s) and in the case of common funds, the members of the board of directors or the managers of the management company.

- (4) In addition to the conditions of paragraphs (2) and (3), the authorisation pursuant to paragraph (1) is subject to the communication to the CSSF of the identity of the persons in charge of the management of investment portfolio. These persons must be of sufficiently good repute and be sufficiently experienced in relation to the type of specialised investment fund concerned.

The appointment of the persons referred to in the first sub-paragraph and of any person succeeding them in their functions, is subject to the authorisation of the CSSF.

- (5) Any replacement of the management company or of the depository, as well as any amendment of the constitutive documents of the specialised investment fund are subject to the authorisation of the CSSF.
- (6) The granting of the authorisation under paragraph (1) implies for the specialised investment funds the obligation to notify the CSSF spontaneously in writing and in a complete, coherent and comprehensible manner of any change regarding the substantial information on which the CSSF based itself to examine the application for authorisation as well as of any change concerning the directors referred to in paragraph (3) and the persons in charge of the management of investment portfolio referred to in paragraph (4) of this Article.

Art. 42 bis

- (2) Specialised investment funds subject to this Law shall, in addition, be structured and organised in such a way as to minimise the risk of the investors' interests being prejudiced by conflicts of interests between the specialised investment fund and, as the case may be, any person contributing to the activities of the specialised investment fund or any person directly or indirectly linked to the specialised investment fund. In case of potential conflicts of interests, the specialised investment fund ensures that the investors' interests are safeguarded.
- (3) The implementing measures of paragraphs (1) and (2) are laid down by way of regulation to be adopted by the CSSF.

Art. 42 ter

- a) the CSSF must be informed in an appropriate manner;

- b) the mandate must not prevent the effectiveness of the supervision over the specialised investment fund; in particular, it must not prevent the specialised investment fund from acting or prevent the specialised investment fund from being managed in the best interests of the investors;
- c) when the delegation concerns the management of investment portfolio, the mandate may be given only to legal or natural persons who are authorised or registered for the purpose of the management of investment portfolio and which are subject to prudential supervision; when this mandate is given to a legal or a natural person of a third-country subject to prudential supervision, cooperation between the CSSF and the supervisory authority of that country must be ensured;
- d) when the conditions under point c) are not fulfilled, the delegation can only become effective if the CSSF approves the choice of the legal or natural person to whom functions will be delegated; in this latter case, these persons must be of sufficiently good repute and be sufficiently experienced in relation to the type of specialised investment fund concerned;
- e) the directors of the specialised investment fund must be able to demonstrate that the legal or natural person to whom functions will be delegated is qualified and capable to exercise the functions in question and sufficient diligence has been applied for its selection;
- f) measures exist enabling the directors of the specialised investment fund to monitor effectively and at any time the delegated activity;
- g) the mandate must not prevent the directors of the specialised investment fund from giving at any time instructions to the legal or natural person to whom functions are delegated or from withdrawing the mandate with immediate effect in order to protect the interest of investors;
- h) no mandate with regard to the core function of investment management shall be given to the depositary;
- i) the offering document of the specialised investment fund must list the delegated functions.

Art. 43

- (1) Authorised specialised investment funds shall be entered by the CSSF on a list.

Such entry shall be tantamount to authorisation and shall be notified by the CSSF to the specialised investment fund concerned. Applications for entry on the list must be filed with the CSSF within the month following their constitution or formation. The said list and any amendments made thereto shall be published in the *Mémorial*⁵ by the CSSF.

- (2) The entering and the maintaining of the list referred to in paragraph (1) shall be subject to observance of all legislative, regulatory or contractual provisions relating to the organisation and operation of the specialised investment funds subject to this Law and the distribution, placing or sale of their securities.

Art. 44

The fact that a specialised investment fund is entered on the list referred to in Article 43(1) shall not, under any circumstances, be described in any way whatsoever as a positive assessment made by the CSSF of the quality of the securities offered for sale.

Art. 45

- (1) The decisions to be adopted by the CSSF in implementation of this Law shall state the reasons on which they are based and, unless any delay entails risks, they shall be adopted after preparatory proceedings at which all parties are able to state their case⁶. They shall be notified by registered letter or delivered by bailiff⁷.
- (2) The decisions by the CSSF concerning the grant, refusal or withdrawal of the authorisations provided for in this Law as well as the decisions of the CSSF concerning the administrative fines pronounced pursuant to Article 51 of this Law may be referred to the administrative court⁸ which will be dealing with the substance of the case. The case must be filed within one month from the date of notification of the contested decision, and otherwise shall be time barred.

The Court shall give its ruling within a short period.
